Has your dog had previous obedience experience? _____

If yes, please give a brief description: _____

What are your goals for training? _____

We require that all dogs attending our facility be flea-free and be current on their rabies, distemper and kennel cough vaccines (unless exempted upon veterinarian recommendation or titer testing).

Please bring the following to class/training:

- A 6 to 8 foot leash (**no retractable leashes PLEASE**)
- Small soft treats (pieces of hot dog, cheese bits, liver bits) – biscuits are wonderful at home but do not provide as effective a reward in class!

Please mail or drop off this registration at the address above along with full class payment (\$25 non-refundable unless class is full) and a copy of current vet records (unless we already have them on file) to reserve your space for class. Please arrive 10 minutes early for first class to complete registration. *Reminder: Masks are required and social distancing is required. Sanitizer is available.*
